COVID PROTOCOL FOR IN-PERSON PARTIES & EVENTS

Based on the recent Washington Ready plan, released on June 30, 2021, we will resume all in-person parties & events indoors and outdoors. If you would like to request your Character(s) wear masks at your event, for any reason, please let your event coordinator know at the time of your booking or leading up to your event. If your Character(s) or you are experiencing any COVID like symptoms leading up to, or the day of your event, we will reschedule without penalty.
